About the Book

A Memoir of South African Childhood is a powerful and moving memoir that tells the story of growing up in the shadow of apartheid. The author, Zakes Mda, was born in the Eastern Cape of South Africa in 1958, and his childhood was marked by the violence and racism of the apartheid regime. Despite the challenges he faced, Mda went on to become a successful writer, and his memoir is a testament to the resilience of the human spirit.

In A Memoir of South African Childhood, Mda tells the story of his childhood with honesty and humor. He describes the challenges of growing up in a segregated society, and he recounts the many times he was subjected to discrimination and violence. But Mda also tells the story of his family and friends, and he shows how the power of love and community can overcome even the most difficult circumstances.

A Memoir of South African Childhood is a must-read for anyone who wants to understand the history of South Africa and the impact of apartheid on the lives of its people. It is a powerful and moving story that will stay with you long after you finish reading it.
