After the Fall is a haunting and unforgettable story of survival, resilience, and the power of love. Gabriela Gerhart's writing is both lyrical and unflinching, and her characters are so well-developed that they will stay with you long after you finish reading the book.

Maya is a complex and compelling character. She has lost everything, but she refuses to give up. She is determined to find her way back to her family and to rebuild her life. Luke is a kind and compassionate man who has

dedicated his life to saving others. He is haunted by the people he couldn't save, but he continues to fight for the living.

The relationship between Maya and Luke is one of the most touching and believable relationships I have ever read in a book. They are both flawed and damaged, but they find strength in each other. They help each other to heal and to find hope for the future.

After the Fall is a beautifully written and deeply moving novel. It is a story that will stay with you long after you finish reading it. I highly recommend it to anyone who enjoys literary fiction, stories of survival, or stories about the power of love.
