That's where Aftermath Inc comes in.

Aftermath Inc is a crime scene cleanup company that specializes in restoring normalcy to homes and businesses after traumatic events. Their technicians are trained to handle biohazards, hazardous chemicals, and other dangerous materials. They also understand the emotional toll that crime scenes can have on families and communities, and they work to minimize the disruption to their lives.

In *Aftermath Inc: Cleaning Up After CSI Goes Home*, author Alison MacAdam takes us inside the world of crime scene cleanup. We meet the technicians who do this difficult and often dangerous work, and we learn about the challenges they face.

MacAdam also explores the ethical dilemmas that crime scene cleaners face. For example, they may be asked to clean up a scene where a child has been killed. How do they balance their professional detachment with their own human emotions?

Aftermath Inc is a fascinating and thought-provoking book that offers a unique perspective on the criminal justice system and the resilience of the human spirit. It's a must-read for anyone who is interested in true crime, forensic science, or the human condition.
