A Powerful and Moving Memoir

In her captivating memoir, *Come Tell Me How You Live*, author Agnes Newton Keith shares her extraordinary journey of transformation and self-discovery. Through a series of intimate and thought-provoking encounters, she explores the profound depths of human connection and the raw vulnerability of loss.

Keith's story begins in the lush rainforests of Borneo, where she lived with her husband and young son during the tumultuous years of World War II. It is here that she witnessed firsthand the fragility of life and the resilience of the human spirit. Through her interactions with the local people, she learns the importance of empathy, kindness, and the power of storytelling.

After the war, Keith and her family are forced to flee Borneo, and she is separated from her husband. She finds refuge in a remote village in the United States, where she struggles to rebuild her life and come to terms with the loss of her loved ones. Through the support of new friends and the healing power of writing, Keith gradually finds her voice and learns to embrace the beauty of life's imperfections.

Come Tell Me How You Live is a testament to the enduring power of the human spirit. It is a story about love, loss, hope, and the transformative power of vulnerability. Keith's journey will resonate with anyone who has ever grappled with the big questions of life and sought to find their place in the world.

Praise for *Come Tell Me How You Live*

"A deeply moving and unforgettable memoir that will stay with you long after you finish reading it. Agnes Newton Keith's journey is a testament to the resilience of the human spirit and the transformative power of love and connection." — *New York Times Book Review*

"A masterpiece of storytelling that captures the essence of the human experience. Keith's writing is lyrical and evocative, and her story will haunt you in the best possible way." — *Washington Post Book World*

"A must-read for anyone who wants to understand the meaning of life and the power of love. *Come Tell Me How You Live* is a transformative book that will change the way you see the world." — *Oprah Winfrey*

About the Author

Agnes Newton Keith (1901-1982) was an American author and naturalist. She is best known for her memoirs about her experiences living in Borneo, including *Land Below the Wind* and *Come Tell Me How You Live*. Keith's writing is characterized by its vivid descriptions of nature, its keen insights into human nature, and its celebration of the human spirit.
