Investigative journalist Greg Palast takes us on a gripping journey, uncovering the hidden machinations and corrupt practices that fuel the global oil swindle. From the boardrooms of multinational corporations to the impoverished villages of oil-rich nations, Palast exposes the players, the schemes, and the staggering consequences.

With meticulous research and unflinching determination, Palast unveils the web of greed, deceit, and environmental destruction that has come to define the global oil industry. He reveals how oil companies have rigged the

system, exploiting loopholes and manipulating markets to maximize their profits at the expense of people and the planet.

Through vivid storytelling and undeniable evidence, Palast demonstrates how the oil swindle has fueled political instability, armed conflicts, and human rights abuses around the world. He exposes the connections between oil companies and corrupt governments, showing how the pursuit of profit has corrupted the very foundations of democracy.

'Crude Oil, Crude Money' is more than just an exposé; it is a call to action. Palast provides a roadmap for reforming the global oil industry, ending the corruption and exploitation, and creating a more just and sustainable future for all.

This groundbreaking book is a must-read for anyone who wants to understand the true nature of the global oil industry and its profound impact on our world. It is a powerful indictment of the greed and corruption that has plagued this industry for far too long, but it is also a beacon of hope, offering a vision of a future where oil wealth benefits all, not just the privileged few.

Praise for 'Crude Oil, Crude Money'

"A searing indictment of the global oil industry, 'Crude Oil, Crude Money' is a must-read for anyone who cares about the future of our planet." —**Naomi Klein, author of 'The Shock Doctrine'**

"Palast's meticulous research and unflinching determination make 'Crude Oil, Crude Money' an essential read for anyone who wants to understand

the true nature of the global oil industry." —**Juan Manuel Santos, former President of Colombia**

"A powerful and necessary book, 'Crude Oil, Crude Money' exposes the hidden machinations of the global oil swindle and offers a roadmap for a more just and sustainable future." —**Bill McKibben, author of 'Falter'**
