In his new book, *Incomparable Grace: JFK in the Presidency*, historian Robert Dallek offers a fresh and insightful look at one of America's most iconic presidents. Dallek draws on a wealth of new sources, including recently released White House tapes, to provide a nuanced and revealing portrait of Kennedy's leadership.

Dallek argues that Kennedy's greatest strength was his ability to connect with people on a personal level. He was a charismatic and inspiring leader who had a gift for making people feel seen and heard. This ability served him well in both his domestic and foreign policy initiatives.

On the domestic front, Kennedy faced a number of challenges, including the Cold War, the civil rights movement, and the economic recession. He made significant progress on all of these fronts, but his presidency was ultimately cut short by his assassination in 1963.

In foreign policy, Kennedy's most notable achievement was the Cuban Missile Crisis. He successfully navigated this dangerous confrontation with the Soviet Union, bringing the world back from the brink of nuclear war.

Dallek's book is a masterful account of Kennedy's presidency. It is a work of deep scholarship and keen insight that will be essential reading for anyone interested in American history.

Praise for *Incomparable Grace*

"Dallek has written a brilliant and insightful book about one of America's most fascinating presidents. *Incomparable Grace* is a must-read for anyone interested in Kennedy or in the American presidency." — **Doris Kearns**

Goodwin

"A magisterial work that will stand as the definitive account of Kennedy's presidency for years to come. Dallek's writing is clear, concise, and engaging, and he provides a wealth of new insights into Kennedy's character and leadership." — **Michael Beschloss**

"*Incomparable Grace* is a tour de force. Dallek has produced a work of scholarship that is both authoritative and accessible. This book is a major contribution to our understanding of Kennedy and his presidency." — **David**

McCullough

About the Author

Robert Dallek is a Pulitzer Prize-winning historian and professor emeritus at Boston University. He is the author of numerous books on American history, including *Lyndon B. Johnson: Giant of the Hill*, *Nixon and Kissinger: Partners in Power*, and *Camelot's Court: Inside the Kennedy White House*.
