This stunning volume features over 200 maps, charts, and illustrations that capture the beauty, mystery, and allure of islands from around the world. From the tiny atolls of the Maldives to the vast archipelago of Indonesia, Wilford's maps and charts reveal the unique geography and history of each island. His illustrations, meanwhile, capture the essence of island life, from the vibrant colors of a Caribbean fishing village to the windswept shores of a remote Scottish island.}

*Island Dreams* is a must-have for anyone who loves maps, travel, or adventure. It is also a beautiful and inspiring work of art that will be treasured by readers for years to come.

### Author Biography

John Noble Wilford is a Pulitzer Prize-winning journalist and author. He spent many years as a science reporter for *The New York Times*, where he

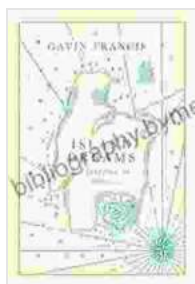

covered a wide range of topics, including space exploration, climate change, and the environment. He is the author of several books, including *The Mapmakers*, *The Riddle of the Sphinx*, and *The Age of Gold*.
