In *Long Suffering*, author Your Name tells the definitive account of the long-suffering fandom of these three New York teams. From the heartbreak of the Mets' 1986 collapse to the Jets' futility in the 21st century to the Rangers' Stanley Cup drought, Name chronicles the highs and lows of being a fan of these teams.

Long Suffering is a must-read for any fan of New York sports. It is a funny, heartwarming, and ultimately hopeful book about the power of sports to bring people together, even in the face of constant disappointment.

- Chapter 3: The Rangers: From the Original Six to the Presidents' Trophy
- Chapter 4: The Shared Misery of New York Sports Fans
- Chapter 5: The Power of Sports to Bring People Together

Excerpt

From Chapter 1: The Mets: From the Miracle of '69 to the Collapse of '86

The 1986 New York Mets were a team of destiny. They had won 108 games during the regular season, and they had swept the Houston Astros in the National League Championship Series. In the World Series, they faced the Boston Red Sox, a team that had won 95 games during the regular season.

The Mets won the first two games of the World Series at home, but the Red Sox won the next two games in Boston. The series was tied 2-2 when it returned to New York for Game 5.

The Mets took an early lead in Game 5, but the Red Sox came back to tie the game in the seventh inning. The game went into extra innings, and the

Red Sox finally won in the 10th inning.

The Mets lost the next two games of the World Series, and the Red Sox won their first World Series championship in 68 years. For Mets fans, it was a devastating loss.

The Mets' collapse in the 1986 World Series is one of the most famous examples of heartbreak in sports history. It is a story that Mets fans have never forgotten, and it is a reminder of the pain that can come with being a fan of a long-suffering team.

Reviews

"*Long Suffering* is a must-read for any fan of New York sports. It is a funny, heartwarming, and ultimately hopeful book about the power of sports to bring people together, even in the face of constant disappointment." - **The New York Times**
