Milli, Geo, and Bot - The Math-Wielding Trio

Milli, the leader of the team, possesses a brilliant mind and loves to count. Geo, the enthusiastic explorer, brings geography and shape recognition to their adventures. Bot, the lovable robot, is an expert in technology and measurement. Together, they form an unstoppable force, using their unique talents to solve any problem that comes their way.

Adventures in Santa's Workshop

Team Umizoomi's journey through Santa's Workshop is filled with exciting challenges and heartwarming moments. They help the elves wrap presents, decorate the sleigh, and even rescue some lost reindeer. Along the way, they encounter a cast of colorful characters, including Mrs. Claus, the busy elves, and even Santa himself.

Math and the Spirit of Christmas

Math is not just a subject for Team Umizoomi; it's a tool they use to spread Christmas cheer. They help Santa calculate the weight of the gifts, measure the height of the Christmas tree, and even design the perfect

snowflake patterns. Through their adventures, they show that math can be fun, practical, and even magical.

The True Spirit of Christmas

Amidst the hustle and bustle of Santa's Workshop, Team Umizoomi never forgets the true meaning of Christmas. They teach the importance of friendship, kindness, and helping others. They show that Christmas is not just about gifts but about spreading joy and making the world a better place.

Santa's Little Helpers: Team Umizoomi is a delightful and inspiring story that captures the magic of Christmas and the power of math. Join Milli, Geo, and Bot on their enchanting journey, and discover the true spirit of Christmas through their heartwarming adventures and math-filled puzzles.
