- Identify the different types of conflict
- Understand the causes of conflict

- Develop strategies for preventing conflict
- Resolve conflict effectively
- Build relationships and improve communication

Whether you're a professional mediator, a manager, or simply someone who wants to improve your conflict resolution skills, this book is an essential resource. With its clear explanations, practical advice, and real-world examples, "Models and Maps for Analyzing, Diagnosing, and Resolving Conflict" will empower you to navigate conflicts with confidence and achieve positive outcomes.

What's Inside the Book?

The book is divided into three parts:

1. **Part One: Understanding Conflict**
2. **Part Two: Analyzing and Diagnosing Conflict**
3. **Part Three: Resolving Conflict**

Part One provides a comprehensive overview of conflict, including its different types, causes, and consequences. You'll also learn about the different models and maps that can be used to analyze and diagnose conflict.

Part Two takes a deeper dive into the process of analyzing and diagnosing conflict. You'll learn how to identify the root causes of conflict, assess the power dynamics involved, and develop strategies for preventing conflict.

Part Three focuses on the process of resolving conflict. You'll learn about the different methods of conflict resolution, including negotiation, mediation, and facilitation. You'll also learn how to build relationships and improve communication, which are essential for resolving conflict effectively.

Who Should Read This Book?

This book is essential reading for anyone who wants to improve their conflict resolution skills. It is a valuable resource for:

- Professionals in the field of conflict resolution, such as mediators, facilitators, and counselors
- Managers and leaders who want to create a more harmonious and productive work environment
- Individuals who want to improve their interpersonal communication and conflict resolution skills
- Anyone who wants to learn more about the nature of conflict and how to resolve it effectively

About the Authors

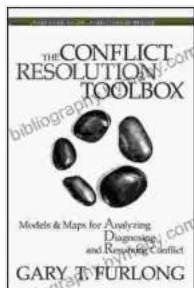

The book is written by a team of leading experts in the field of conflict resolution. The authors have decades of experience in helping people resolve conflict effectively. They have worked with individuals, groups, and organizations to create more harmonious and productive relationships.
