

# Never Alone: Prison Politics and My People - A Must-Read for Anyone Concerned About Mass Incarceration

Uncover the True Impact of Mass Incarceration

In his powerful and eye-opening book, *Never Alone: Prison Politics and My People*, author David Fathi tells the story of his own imprisonment and the challenges he faced upon his release. Fathi's firsthand account sheds light on the systemic racism and injustice that permeates the American criminal justice system, and the devastating impact it has on communities of color.

Fathi was just 19 years old when he was arrested for a nonviolent drug offense. He was sentenced to 10 years in prison, and during his time behind bars, he witnessed firsthand the brutality and dehumanization that is all too common in the American prison system.

Upon his release, Fathi faced a new set of challenges. He was unable to find a job, and he struggled to reintegrate into society. He was also haunted by the trauma he had experienced in prison. However, Fathi refused to give up. He dedicated his life to fighting for criminal justice reform and to helping others who had been affected by mass incarceration.

Never Alone is a powerful and moving account of one man's journey through the criminal justice system. It is also a call to action for all of us to work towards a more just and equitable society.

## Reviews

"Never Alone is a must-read for anyone who wants to understand the true costs of mass incarceration." - The New York Times

"A powerful and eye-opening account of the devastating impact of mass incarceration on communities of color." - The Washington Post

"David Fathi's story is a reminder that we cannot afford to ignore the injustices of the criminal justice system." - The Guardian
