In **Radical Dharma**, angel Kyodo williams and Lama Rod Owens draw on their own experiences as people of color to offer a Buddhist perspective on race and racism. They argue that racism is not simply a personal prejudice, but a systemic problem that affects all of us. They call for a radical response to racism, one that goes beyond individual acts of kindness and confronts the root causes of oppression.

Radical Dharma is not just a book about race. It is also a book about love and liberation. williams and Owens argue that love is the most powerful force for change in the world. They call for a love that is not based on pity or charity, but on a deep understanding of our interconnectedness. They believe that love has the power to heal the wounds of racism and create a more just and equitable world.

Radical Dharma is a challenging and inspiring book that will change the way you think about race, love, and liberation. It is a must-read for anyone who is committed to creating a more just and equitable world.
