Reparations: Interdisciplinary Inquiries by Gene Kim is a comprehensive examination of the history, ethics, and politics of reparations for slavery in the United States. Kim argues that reparations are a necessary step towards addressing the legacy of slavery and achieving racial justice.

Kim's book is divided into three parts. The first part provides a historical overview of reparations for slavery in the United States. Kim traces the origins of the reparations movement back to the abolitionist era and discusses the various attempts to pass reparations legislation in the 19th and 20th centuries.

The second part of the book examines the ethical and philosophical arguments for and against reparations. Kim argues that reparations are a matter of justice and that they are necessary to address the harms that slavery has inflicted on African Americans.

The third part of the book explores the political challenges to passing reparations legislation. Kim discusses the opposition to reparations from white Americans and the challenges of building a political coalition in support of reparations.

Reparations: Interdisciplinary Inquiries is a timely and important book. It provides a comprehensive overview of the history, ethics, and politics of reparations for slavery in the United States. Kim's book is a must-read for anyone who wants to understand the issue of reparations and its implications for racial justice.
