By Sy Montgomery

The Good Good Pig is a heartwarming story about a pig named Pinkerton who overcomes adversity and learns the true meaning of friendship and family.

Pinkerton is born into a life of hardship. He is the runt of the litter and is constantly picked on by his siblings. His mother is overworked and stressed, and she often takes her frustrations out on Pinkerton.

Despite these challenges, Pinkerton is a kind and gentle pig. He loves to play and explore, and he always tries to see the best in everyone.

One day, Pinkerton meets Sy Montgomery, a naturalist who is studying pigs. Sy is immediately drawn to Pinkerton's sweet nature, and she takes him home to live with her.

At Sy's farm, Pinkerton finally finds the love and acceptance he has always longed for. He makes friends with the other animals on the farm, and he learns to trust humans again.

Pinkerton's story is a reminder that even in the darkest of times, there is always hope. It is a story of resilience, redemption, and the power of friendship.
