

The Story of an Ordinary Egyptian Jewish Family in Extraordinary Times

A Daughter's Memoir

In this compelling memoir, the author recounts the rich and complex story of her family, ordinary Egyptian Jews living in extraordinary times. Born in Alexandria, Egypt in 1916, the author's mother was the youngest of four siblings and grew up in an affluent, observant Jewish upper class family at a time of general stability and prosperity for Egyptian Jewry.

With love and admiration, the author brings her mother's life to vivid life, from the close-knit family and community she grew up in to the challenges she faced as a young woman during World War II, and the subsequent rise of Arab nationalism and the establishment of the state of Israel and the impact of these events on her family and community.
