Prepare yourself for an epic cosmic clash as the Savage Avengers, Earth's mightiest team of savage heroes, clash with the primordial darkness of Knull, the King in Black. In this highly anticipated fourth volume of the Savage Avengers, writer David Pepose and artist Carlos Magno present a gripping tale that will push the team to its limits.

### **A Cosmic Battle of Unprecedented Scale**

As the symbiote invasion led by Knull threatens to consume all of creation, the Savage Avengers find themselves on the front lines of this cataclysmic conflict. Led by the indomitable Conan the Barbarian and the irreverent Deadpool, the team must band together with Venom, the Guardians of the Galaxy, and a host of other unlikely allies.

Each member of the Savage Avengers brings their unique skills and perspectives to this cosmic battle. Conan's brute strength and unwavering determination clash with Deadpool's unpredictable and often humorous

antics. Venom's symbiotic powers and anti-heroic nature add an element of danger and unpredictability, while the Guardians of the Galaxy provide cosmic knowledge and technological prowess.

### **Epic Cosmic Action and Personal Drama**

Savage Avengers Vol. 4: King in Black is not just an action-packed cosmic epic. It also explores the personal journeys and relationships of its characters. Conan must grapple with his inner demons as he confronts the darkness that threatens to consume him. Deadpool's irreverent facade masks a deep-seated longing for purpose and connection. And Venom struggles to navigate the complexities of his symbiotic bond.

Through these personal struggles, the Savage Avengers find strength in their unlikely camaraderie. They learn to trust each other, rely on each other, and support each other through the darkest of times.

## **Stunning Artwork and Thrilling Narrative**

Carlos Magno's artwork brings the epic cosmic conflict to life with stunning detail and dynamism. His panels are filled with vibrant colors, powerful character designs, and breathtaking action sequences. The book is a visual feast that perfectly captures the scale and intensity of the story.

David Pepose's narrative is equally impressive. He deftly balances the cosmic action with the personal drama, creating a compelling and emotionally resonant story. The book is paced perfectly, building tension throughout and delivering a satisfying and explosive climax.
